STATEMENT V2.0

WHAT HAPPENED

You can now access and download the complete history of every transaction you've ever made on 8lends. Filter your transactions by date, type, or currency (USDC is automatically converted into the currency you choose).

Available in EUR, CHF, TRY, JPY, KRW, CNY, CZK, and USD, in both XLSX and PDF.

WHAT IT GIVES INVESTORS

CLEAR FINANCIAL OVERVIEW

A structured breakdown of your income and transaction history for your records or to share with your tax accountant.

CONVERSION INTO YOUR CURRENCY

All your transactions on the platform are automatically converted from USDC into your local currency, so you see the real figures without any manual conversion.

TRANSPARENT EXCHANGE RATES

Each transaction uses its historical exchange rate for the date it was made. The rate source and timestamp are recorded, so every figure can be traced.

NO WALLET? NO PROBLEM

WHAT HAPPENED

From now on, if you sign up for 8lends without connecting a wallet, you can create one with Privy. If you choose this option, the wallet is created for you automatically. Just top it up with USDC and start investing!

No external wallet or gas token required to get started.

WHAT IT GIVES INVESTORS

START IN SECONDS

Sign in the way you already know, with your email or Google account. No seed phrases, no browser extensions, and you don't even need any crypto experience!

WALLET CREATED FOR YOU

Your wallet is set up automatically when you sign up, ready to hold USDC and start investing right away.

NO GAS FEES

Invest without holding a native token for gas fees. Fund your wallet with USDC and go straight to investing.
